The Collector Vehicle Program offers special insurance coverage to customers who own collector vehicles. To be eligible, your vehicle must meet certain criteria (see **Declaration**) and you must qualify your vehicle.

Please visit the Manitoba Association of Automobile Clubs (MAAC) website at www.maac.cc for information on how to set up a qualification appointment with a MAAC representative. If you prefer a qualification appointment with Manitoba Public Insurance please call 204-985-7000 or toll-free 1-800-665-2410 on or after March 1, 2014.

You must complete and sign both copies of this application form and take them with you to your qualification appointment. Once you have qualified, MAAC or Manitoba Public Insurance will keep the Qualifier Copy for their records. Take the Applicant Copy to any Autopac agent on or after March 1, 2014 for processing.

To request a Collector Vehicle licence plate, please complete and submit a **Collector Licence Plate Application**. Visit mpi.mb.ca for an application form.
